NEW DIRECTIONS IN THE STUDY OF WOMEN IN THE GRECO-ROMAN WORLD

Edited by **RONNIE ANCONA** and
GEORGIA TSOUVALA

Sarah Pomeroy's groundbreaking *Goddesses, Whores, Wives, and Slaves* introduced scholars, students, and general readers to an exciting new area of inquiry: women in classical antiquity. Almost fifty years later, *New Directions in the Study of Women in the Greco-Roman World* builds upon and moves beyond Pomeroy's seminal work to represent the next step in this interdisciplinary field.

- Features contributions by major scholars in the field of the study of women in Greco-Roman antiquity
- Examines the many facets of women's lives from cosmetics and athletics, to public visibility, activism and legislation, and the social power of non-elite women
