Contract for #APeoplesCUNY

Rally outside CUNY Central the morning before our contract expires. We'll be taking our demands to CUNY, literally putting them on tables outside of the bosses' door and confronting them with our vision for a Fair Contract for #APeoplesCUNY.

Join us in Solidarity Before Work - Monday, February 27

Show management that we need inflation-beating raises, extra pay increases for lower paid colleagues, health and safety protections, job security, better benefits, work-life balance, remote work policies, professional respect, and more!
